

**Name:** Adriel Strickland

**Grade:** 12<sup>th</sup>

**School:** Atlantic Coast High School

**Career Aspiration:** Immunologist

*Adriel participated in a virtual learning experience hosted by the First Coast Black Nurses Association. During this experience, medical professionals from across the First Coast shared what motivated them to go into the medical field, described details of a typical work day and answered general questions from the group. This experience also afforded Adriel the opportunity to work on a small group assignment that required her to write a 10 page research paper, construct a PowerPoint presentation and present findings to the larger group.*

*Adriel will complete her internship experience during the summer of 2021.*
